

**get your woolies
ready for winter**

get your woolies ready for winter

1. out of the cupboard
2. are you going to use it?
3. pills be gone
4. could it look better?
5. soak up the fresh air

out of the cupboard

- get together your scarfs, blanket, beanies, mittens and other winter woolies
- this helps to see exactly what you have

are you going to use it?

- do you still want to use it?
- do you still want to keep it?
- options if the answer is no:
 - pull it apart and make it into something else
 - give to a friend that will love it
 - donate to charity

pills be gone

- do you have a favourite way of de-pilling?
- some options:
 - Lilly Brush
 - Sweater Stone
 - wool comb

could it look better?

- steam block to straighten edges and reshape
- re-trim pompoms

soak up the fresh air

- put outside in the shade
- fresh air does amazing things

*“It feels good to use pieces that you’ve lovingly
made by hand.”*
